

Action Plan

for Fluoride Free Communities

1.

Call a meeting of key local folk to form a Working Group.

Study and discuss together the videos and information from leading Doctors, Scientist and Dentists on www.australianfluorideaction.com

2.

Plan a strategy to promote the 'Fluoride Posters' the 'Non Consent Notices' and AFA website in key locations.

Eg. Health Stores.

Plan a Data Base of all email addresses for keeping in touch.

Email this Action Plan.

3.

- Plan a Public meeting.
- Show videos from the AFA website
- Read the 'Non Consent Notice'
- Arrange for everyone to sign.
- Distribute 'Damage to Body Organ' sheet and Jason Burton's Death Certificate.
- Invite everyone to join a 'Working Group' in their area.
- Everyone to Recruit five others.

4.

Duplicate the process of forming a Working Group in each Councillors Electorate.

Include Press in Working Groups.

5.

Test your water. Test your Blood Test your Urine. Get a Letter from your Doctor. Don't drink Fluoridated Water. Buy pure water. Invoice your Council or deduct your costs from your water bill. Accountability.

6.

Action Plan for signed Notices of 'Non Consent'

- Make 4 copies of each
- Keep originals safe.
- Send one copy to your divisional or area Councillor
- Send a copy of each to your Mayor, State & Federal MP' & Senators.

7.

Compile a Register of anyone who has suffered from health issues listed in the 'Damage to Body Organ' Data Sheet.
